Dear Mr. Long:

This concerns our previous discussions regarding the application of Section II of the May 25, 2009 Agreement, providing for the Production Tamper differential on the N&W/Wabash and DPG Agreement territories.

This will confirm our understanding and practice that in the application of the May 25, 2009 Agreement, the Tamper differential is payable for all service on the Southern Agreement territory in light of the expansion of DPGs to the Southern Agreement under the February 27, 2012 Agreement.

Please indicate your concurrence by signing in the space below.

Very truly yours,

S. M. Goodspeed
Director Labor Relations
