Dear Johnny:

Following the recent execution of the Agreement between Georgia Central Railway, L.P. and the Brotherhood of Maintenance of Way Employees Division, this is to clarify that *Article 4 – TIME ALLOWANCES, A. Overtime* should include the following addition:

4. Time worked in excess of forty (40) hours in a regular work week.

If this reflects your understanding, please sign below indicating your agreement.

Respectfully,

Rob Anderson
President – GCLP

Agreed:
